

# ENERGISE YOUR FUTURE WITH GLOUCESTERSHIRE'S NEWEST LEARNING CENTRE SGS BERKELEY GREEN CAMPUS!

## FREE - SGS Berkeley GREEN Half Term Community Fair Thursday 1 June, 10:00 - 13:00

Over £30million has been invested to create a brand new campus for learners in Berkeley. The SGS Berkeley Green campus, opening September 2017, will enable learners who wish to study engineering, manufacturing, construction, digital technologies and cyber security in an environment that has been designed and developed with the support of the region's major employers.

Join us to view the campus before opening in September and engage in a variety of fun and interactive activities including:

- Engineering workshops • Cyber security workshops • Tours of the campus • Archery
- Employer stands • Sports and health activities including a climbing wall
- Activities / promotions from local businesses plus much more.

To register your attendance, please email
