

Interviews are conducted in small groups of approximately 5-6, and last for 1 hour. Each student presents their work to the group, whilst the rest join in with the interview process and ask questions. You will need to bring a portfolio of work, no more than 15-20 sheets, including sketchbooks and examples of written work – we like to see how you think.

Entry requirements: 3 A Levels – one must be in an Art related subject. Maths and English GCSE grade C or above.

After interview you will be contacted within two weeks with the result. Successful students will then be invited to taster day sessions during the end of year show in June.
