

AUDITION / INTERVIEW

Dear Applicant

We are looking forward to meeting you at your interview for the Subsidiary Diploma for Music Practitioners – Technology Pathway here at SGS College, Stroud.

In order for us to judge your suitability for the course we would like to invite you to an interview morning.

At your interview you will take part in a music tech workshop and a 1:1 interview. The workshop will focus on application of software, recording and song creating. For the 1:1 interview we would like you to provide one of the following:

- ✓ A short piece of music prepared to perform on your chosen instrument. We will provide drum kit, keyboard and amps. We do have some guitars/basses but we would encourage you to bring your own if possible.

- ✓ A piece of music production on a memory stick/hard drive that you have been working on. We would ideally like to see the project file to show how you like to work as well as listen to the track itself.

Please arrive promptly for a 10am start and be aware that you will be required to stay until 1pm.

There will be short breaks throughout the morning and there is a small shop and a canteen for snacks on site so bring some money if you would like to buy refreshments.

If you have any questions regarding your audition/interview please do not hesitate to contact us on telephone number 01453761197.
