

### **Plumbing & Electrical Factor Days**

Please report to reception on arrival and allow up to 4 hours for your visit (time depends on the size of the group)

Wear casual clothing, and bring with you safety boots (if you have any), a pen and notebook, your record of achievement and any exam results either actual or predicted grades.

Whilst you are here you will have a tour of the college, take part in a practical assessment in the workshop, complete a Maths and English Initial Assessment and have a formal interview.
