Our A Level programme has been specifically designed to equip students with the skills and knowledge they need to progress to higher education or the world of work. We push our students to achieve their full potential whilst providing a tailored package of support and guidance.

Students are encouraged to become independent, critical thinkers who take ownership of their own learning. We have exceptionally high expectations and challenge students across all aspects of their study programme; we develop their confidence and self-esteem, pushing them to set and achieve challenging goals.

“ Thank you for applying to study with SGS College. SGS is one of the largest and most successful colleges in the country. Rated ‘Good’ with ‘Outstanding’ features by Ofsted, we are delighted you are considering furthering your education at SGS and hope you choose to enrol with us. Best of luck with your interview. ”
